

HERITAGE TREES/ GROVES NOMINATION FORM
Penn State - University Park Campus

TREE SPECIES

If you know what the tree species is, please list it here:

DESIGNATION CRITERIA

Candidates for nomination for Heritage Tree/ Grove status must meet one of these four categories; please check the one you feel is most applicable:

- Age:** If age is used as a designation criterion, the tree/grove should have a minimum age of 100 years
- Historic Significance:** Associated with an important event and/or person; part of a planting group and/or plan with documented historical significance, etc.
- Location/Setting:** Irreplaceable contribution to a significant view or spatial structure of a setting
- Size/Habit:** Exemplary representation of species' characteristics

LOCATION

Please explain where this Tree/ Grove is located on campus (i.e. on the west side of Building ABC) **and** also please attach a copy of a campus map with tree location highlighted. (Maps available in phone book, from Penn State web site, etc.)
